

This activity is jointly provided by Medical Education Resources and PleXus Communications

This activity is supported by an educational grant from Sanofi.

Activity Start/End Date: 4/6/24-4/6/24

Target Audience

This live full day conference is specifically designed towards the hem/onc team treating patients with multiple myeloma. As the program will cover the full spectrum of disease including post-ash updates it is crucial to target the entire multidisciplinary care team including; Hematologists/Oncologists, Community Oncologists, Hematologists, oncology RNs, NPs/PAs, oncology pharmacists and allied healthcare professionals involved in myeloma care (social workers, case managers, registrars).

Statement of Need/Program Overview

This educational activity is designed to provide the healthcare team with the latest developments and critical insights into multiple myeloma. This education will support the healthcare professional in his/her practice setting with the essential tools to critically evaluate efficacy, safety, clinical effectiveness and application.

Educational Objectives

After completing this activity, the participant should be better able to:

1. Analyze the latest clinical data regarding the efficacy and safety of recently approved and emerging therapies for patients with NDMM.
2. Formulate treatment strategies that leverage novel agents and discoveries to improve outcomes for transplant-eligible and transplant-ineligible patients.
3. Assess the clinical data supporting recent developments and breakthroughs in the treatment of RRMM.
4. Design individualized RRMM treatment strategies that take into account patient-, disease-, and treatment-related factors, and that are appropriate for the community practice setting.
5. Compare and contrast the recently approved and emerging immunotherapeutic agents for the treatment of RRMM.
6. Plan ways to integrate novel immunotherapies into the community practice setting.

Accreditation Statement

JOINTLY ACCREDITED PROVIDER team
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Medical Education Resources (MER) and PleXus Communications. MER is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare

Universal Program Number – UAN JA0003680-9999-24-090-L01-P

This activity is certified as Knowledge based CPE.

Interprofessional Continuing Education (IPCE)

This activity was planned by and for the healthcare team, and learners will receive 5 Interprofessional continuing Education (IPCE) credit for learning and change

Disclosure of Relevant Financial Relationships

Medical Education Resources ensures balance, independence, objectivity, and scientific rigor in all our educational activities. In accordance with this policy, MER identifies relevant financial relationships with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Reported relevant financial relationships are mitigated by MER to ensure that all scientific research referred to, reported, or used in an accredited continuing education activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing learners with high-quality accredited continuing education activities that promote improvements or quality in health care and not the business interest of an ineligible company.
